DOREEN MAKENA

6 YEARS OLD

Background information:

Both Doreen's parents had a problem with alcohol, they brewed and sold local brews. During her days of infancy, she accompanied her mother serving a jail sentence. She suffered neglect due to her parent's lifestyle.

When our Cloverleaf team visited Meru in 2014 a member of the team took a liking to Doreen and wanted her to be her friend.

Later, the area administrator intervened for custody.

Since she has lived in the home she has become very happy and will be joining Class One next year.

Hobbies and future Ambitions:

She likes to Sing, create art work and Meet new friends.

Her best dish is Meat, Rice and Chapatti.

She would like to become a administrator when she grows up.
